

Looking for a learning summer program that offers students a mix of academics & fun?

The **Seattle Skills Center** is a smart Choice.

Seattle Skills Center is offering a wide range of summer courses for any student entering 9th-12th grade in September. Students can earn 0.5 high school credit, explore multiple career fields, and develop engaging and relevant skills. Help your student make the most of their summer!

Programs are **FREE** to students and include transportation and snacks. Classes are held Mon-Fri, July 9 – August 3, 11:30 a.m. – 4:15 p.m. You’ll want to act soon, though! **The deadline for the 2018 summer program is JUNE 15, and you don’t want to miss out.**
