

2018-19 WMS PTSA

Parent Teacher Student Association

Annual Fund Drive

Our Goal is \$125,000!

The Annual Fund directly supports our school's mission of creating a positive environment for ALL students to become life-long learners and great citizens. Our school programs can only be supported if we raise enough funds for them.

What Does Your Donation Fund?

 **50% of PTSA budget is spent benefiting our kids directly in the classroom** through enrichment grants, arts and academic support.

 **Supports community building events** like our August open house/block party, multi-cultural night, high-school success night, and 8th grade promotion.

 **Events honoring academic achievement** including the Science Showcase, Math Town, WALApalooza and more.

 **And so much more** - provides \$300 teacher grants for classroom supplies, information packets, and invests in facility improvements, communications and safety.

Give Generously!

Every penny of your contribution goes directly to school programs and your child's education. ***Every level of support is valued and appreciated!***
