

Everyone is welcome. Join today!

The Washington Middle School PTSA supports our teachers, students and families in many ways, and anyone, and everyone, can be a PTSA member. When you join the WMS PTSA, you join a partnership that encourages student achievement, enriches the classroom environment and supports our amazing staff.

What Does the PTSA Do?

-  PTSA Fundraising **supports our kids directly in the classroom** through enrichment grants, arts and academic support.
-  Sponsors and volunteers at **events honoring academic achievement**, including the Science Showcase, Math Town, WALApalooza and more.
-  Supports **community-building events** such as the Welcome Back Open House & Block Party, Multi-cultural Night, High School Success Night and 8th-Grade Promotion.
-  **And so much more** – provides teacher grants for classroom supplies, invests in facility and safety improvements, and assists with communications.
