- IV. **Announcements:**
 - a. Registration is open for Junior Huskies Summer Academy is open (Jessie) - Program will be all virtual July 13 through Aug 5 (9AM - 1:30PM / Tue-Thu each week) We currently have 17 registrants. Jessie will reach out to incoming 6th grade families (and existing 7th/8th grade families). Registration closes June 18. There will be some outdoor activities (such as a field day).
- V. **Registration for Next Year:**
 - a. Waitlist update (enrollment capacity): There are 16 students on waitlist to enter as 6th graders. The District will assess

capacity in June and will enroll students on the waitlist with preference to students from the school's attendance area. Ideal enrollment for TAF is ~75 students per House.

- b. 6th Grade Family feedback meeting [Kiki / Barb] - 6th grade families are interested in organizing a meeting to discuss with each other and the school administration and TAF the experiences that their students have had in the TAF@WMS program this past year. The PTSA has been asked to help organize the event. 6th grade (House 2) parent Brynne is coordinating this event with the PTSA. TAF proposed that with only 6 weeks left in the school year, that they could meet with families in the fall and hold two sessions (one for incoming 6th grade, one for incoming 7th grade): both sessions would cover the TAF model and also the what & how of TAF@WMS communications.

VI. Events: Upcoming event STEM Expo

- VII. Electives Next Year [Kiki] - What are the non-music options for students? Fine arts class in partnership with Pratt Art Institute?
